

PART I. REQUIREMENT OWNER INFORMATION

1. Emergency: This requirement is in support of an Emergency Declaration.

☐ No

☒ Yes

2. Requirements Information

Requirements Title: **Testing Acq Package**

Brief Description of the Requirement:

**Package to be used for testing the implementation of AT-7256
(and AT-7250 implicitly).**

3. Mission Owner Agency/Organization Information

Agency: **Defense Information Systems Agency (DISA)**

Organization: **General Counsel (GC)**

4. Task Order Contracting Officer Representative (TO COR) nominee:

Name: **COR Contact**

Email: **cor@example.org**

Phone Number: **+13333333333, ext. x3333**

Department of Defense Activity Address Code (DoDAAC): **AT9997**

Alternate TO COR nominee, if applicable:

Name: **ACOR Contact**

Email: **cor@example.org**

Phone Number: **+14444444444, ext. x4444**

DoDAAC: **AT9996**

PART II. REQUIREMENT INFORMATION

1. Do you have a current contract for the same effort

☐ No

☒ Yes

If yes, please provide:

Incumbent Contractor Name: **Peace walker**

Contract Number: **00007777**

Task Order Number: **AT000888**

Contract/Task Order expiration date: **2023-01-31**

2. Does your market research indicate an exception to the fair opportunity process (Federal Acquisition Regulation (FAR) 16.505(b)(2))?

☐ No

☒ Yes, a Justification & Approval is required.

3. Recurring Requirement. Will this be a future recurring requirement?

☐ No

☒ Yes

4. What is the requested Period of Performance (PoP) of the requested task order?

Base period: 1 Year, Option1 period: 6 Months

Is there a REQUESTED PoP start date?

☐ No

☒ Yes

If yes, please provide start date:

No later than 2022-11-01

*All efforts will be made to accommodate the requested PoP start date. However, there is no guarantee that the award will be made by said date. Normal contracting lead times and/or complexity of requirements may prevent meeting the requested date.

5. Contract Type

- ☒ Firm-fixed-price (FFP).
- ☒ Time-and-materials (T&M) (Other than Travel).

If T&M selected, please provide justification:

we need this material to start the project.

6. Personally Identifiable Information (PII). Does the contract action provide for the design, development, or operation of a system of records on individuals by the contractor (in whole or in part)?

- ☐ No
- ☒ Yes, ensure that the task order work statement specifically identifies the system of records on individuals and the design, development, or operation of work to be performed.

7. Business Associate Agreement (BAA). Does the contract action provide for definition of a Business Associate who may be involved in but not limited to design or development (in whole or in part) of the system, and or for creating, receiving, transmitting, managing, and disposing of Protected Health Information (PHI)?

- ☐ No
- ☒ Yes, a HIPAA BAA is required between the Mission Owner and the business associate to provide assurance that the business associate will appropriately safeguard such e-PHI. Business associates must also obtain BAAs from their subcontractors.

8. Public Disclosure of Information. Does your work statement (Description of Work) and/or DD254 contain information that, if released, would be harmful to the Government?

☐ No

☒ Yes, include the name and address of your FOIA coordinator below.

FOIA Coordinator:

Name: Chris Cloud

E-Mail Address: foia-test@ccpo.mil

Physical Address: 456 Unknown Ave

APO, AA 22043

United States of America

PART III. DISA CHIEF INFORMATION OFFICER (CIO) CERTIFICATION

(REQUIRED ONLY FOR DISA MISSION OWNERS)

1. Clinger-Cohen Act (CCA) Compliance: CCA compliance is required for all Programs that acquire Information Technology (IT) per Subtitle III of Title 40, and DoDI 5000.02, August 10, 2017, Table 2 and Table 10). This applies to all IT hardware and software acquisitions and acquisition of IT services.

As the Program Manager for _____, I attest that the program currently meets CCA compliance and has a CIO CCA Confirmation Memo with associated compliance documents on file in MIDS per DISAI 630-225-9. By signing the below, you are attesting to having completed a CCA package and have been provided authority to proceed with the acquisition based on the authority in the CCA Confirmation Memo.

Program Manager Name:

Signature and Date:

2. Data Center Obligation of Funds Compliance: CIO prior to the obligation of funds for data server purchases or other IT items purchased in support of data centers. This is required for accounting and classification.

Not applicable to JWCC as acquisition is not for a Data Center.

3. Cyber Tools Policy Compliance: Per DISA CIO policy, contracts requiring the procurement of a tool supporting Cyber Operations must obtain a waiver from DISA CIO prior to acquiring the new tool or capability. DISA Programs must first utilize existing tools on the

Cyber Tools baseline list maintained by DISA CIO to avoid procuring duplicative capabilities. Please check the appropriate box below to assist the CCA Compliance Manager in verifying or establishing CCA compliance: Submit requests for signature to disa.meade.re.mbx.cca-compliance@mail.mil.

- ☐ Yes, contract procures a Cyber Tool, DISA CIO Waiver attached.
- ☐ No, contract does not procure any Cyber Tools.

Program Manager Name:

Signature and Date:

DISA CIO Certifying Official:

Signature and Date:

PART IV. MISSION OWNER CERTIFICATION

Upon signature of this document, the Mission Owner certifies:

1. The requirement complies with the current Internet Protocol Version 6 (IPv6) Policy as reflected in the IPv6 compliance assessment.
2. The requirement complies with the current DoD Information Enterprise Policy.
3. The requirement does not contain inherently Governmental functions in accordance with FAR 7.5.

Program Manager Name:

Signature and Date:

Mission Owner

DocuSigned by:
Mission Owner 4/30/2022
52383C6D53A445A...

PART V. GOVERNMENT FURNISHED PROPERTY AND EQUIPMENT (GFP/GFE)

1. Will GFP/GFE be furnished, provided, or acquired under this task/delivery order?
☐ No – The work statement shall state "No GFP will be provided under this requirement".
☒ Yes – Complete the Justification to Provide Government Property and the GFP Attachment.

Property Management Office Signature and Date:

PART VI. SECTION 508

Mission Owners must confirm whether the below Section 508 requirements apply to this acquisition.

Electronic Content

Technical Criteria:

E205.1 General - Electronic content shall comply with E205.

E205.2 Public Facing - Electronic content that is public facing shall conform to the accessibility requirements specified in E205.4.

602 Support Documentation

603 Support Services

302 Functional Performance Criteria

Software

Exceptions:

E207.1 General - Software that is assistive technology and that supports the accessibility services of the platform shall not be required to conform to the requirements in Chapter 5.

E207.2 WCAG Conformance - Software that is assistive technology and that supports the accessibility services of the platform shall not be required to conform to E207.2.

Non-web software shall not be required to conform to the following four Success Criteria in WCAG 2.0: 2.4.1 Bypass Blocks; 2.4.5 Multiple Ways; 3.2.3 Consistent Navigation; and 3.2.4 Consistent Identification.

Non-Web software shall not be required to conform to Conformance Requirement 3 Complete Processes in WCAG 2.0.

Functional Performance Criteria:

301.1 Scope - The requirements of Chapter 3 shall apply to ICT where required by 508 Chapter 2 (Scoping Requirements), 255 Chapter 2 (Scoping Requirements), and where

otherwise referenced in any other chapter of the Revised 508 Standards or Revised 255 Guidelines.

302.1 Without Vision - Where a visual mode of operation is provided, ICT shall provide at least one mode of operation that does not require user vision.

302.2 With Limited Vision - Where a visual mode of operation is provided, ICT shall provide at least one mode of operation that enables users to make use of limited vision.

302.3 Without Perception of Color - Where a visual mode of operation is provided, ICT shall provide at least one visual mode of operation that does not require user perception of color.

302.4 Without Hearing - Where an audible mode of operation is provided, ICT shall provide at least one mode of operation that does not require user hearing.

302.5 With Limited Hearing - Where an audible mode of operation is provided, ICT shall provide at least one mode of operation that enables users to make use of limited hearing.

302.6 Without Speech - Where speech is used for input, control, or operation, ICT shall provide at least one mode of operation that does not require user speech.

302.7 With Limited Manipulation - Where a manual mode of operation is provided, ICT shall provide at least one mode of operation that does not require fine motor control or simultaneous manual operations.

302.8 With Limited Reach and Strength - Where a manual mode of operation is provided, ICT shall provide at least one mode of operation that is operable with limited reach and limited strength.

302.9 With Limited Language, Cognitive, and Learning Abilities - ICT shall provide features making its use by individuals with limited cognitive, language, and learning abilities simpler and easier.

Are the above Section 508 requirements sufficient for this acquisition?

- ☒ No, complete the Accessibility Requirements Tool at app.buyaccessible.gov and insert the applicable procurement language into your Description of Work.
- ☐ Yes
